DESCRIPTION

2021 Ford F-150

The 2021 Ford F-150 XLT is a standout in the full-size pickup truck segment, offering a balance of rugged capability, modern technology, and everyday comfort. As one of the mid-level trims in Ford's extensive F-150 lineup, the XLT builds on the utilitarian features of the base XL trim while adding a host of upgrades that appeal to those seeking more style, convenience, and tech without stepping into luxury territory. Exterior Design The 2021 Ford F-150 XLT retains the bold and commanding presence that defines the F-150, with unique design touches to differentiate it from the base trim: Front Fascia: A chrome two-bar grille with a black mesh insert and chrome surround highlights the XLT's more refined styling. Lighting: Standard LED headlights and fog lights provide excellent visibility and a modern look. Body Styling: Crisp body lines and an aerodynamic design improve both aesthetics and e...
